

Product Messaging Boilerplate

Standard messaging to introduce who we are and what we do.

The One-Liner

WedgeHR helps people who want a job to record a quick video when it works for them - so the hiring team can get to know them faster, without the back-and-forth of scheduling.

The One-Paragraph Elevator Pitch

WedgeHR helps people who want a job record a quick video when it works for them - giving hiring teams a faster, more flexible way to connect without the scheduling hassle. Our candidate-driven platform captures early insight and fits right into your workflow, whether you use an ATS or are just getting started. It's simple to set up, easy to use, and helps teams move faster, spot top talent, and hire smarter - all while keeping the experience candidate-friendly.

The 100-Word Description

WedgeHR helps people who want a job to record a quick video when it works for them - giving hiring teams a faster, more flexible way to connect without the scheduling hassle.

It's a candidate-driven platform that captures early insight, helping hiring teams get the context they need to move quickly and make better decisions. Whether you already use an ATS or are just getting started, WedgeHR fits seamlessly into your workflow.

It's easy to set up, simple to use, and built to help teams move faster, spot top talent sooner, and make smarter decisions - all while keeping the experience candidate-friendly.
